

## Bathroom

**Goal:** Clean, open, instill a warm spa feeling

It should feel spacious and comfortable, impersonal and functional

### Really Clean

- Ceramics and grout
- Floors, walls, windows and mirrors
- Light fixtures and fixtures – toilet, sink and cupboards
- Shower curtain
- Rust from tubs, sinks
- Any signs of mould and stains

### Remove or Store

- All toilet seat covers, no cute, plastic, squishy, or fabric seat covers
- Toilet lids down always
- Trash cans, toilet brush, cleansers, plunger and all reading material
- Carpet or throw rugs
- All personal items (suggest a bin or basket under sink)
- All counter tops and keep free of items
- Everything out of the shower and tub making it appear larger

### Replace or Repair

- Shower curtain if needed
- Fresh liner
- Light fixtures that do not work, are dated or are too small
- Broken seats, hinges, mirrors, faucets
- Peeling tub surround
- Caulk if needed
- Change bar of hand soap with a bottle of liquid soap (more sanitary less personal)

### Review & Details

- Have matching “show” towels
- Fold into thirds and put new ones out for every showing
- Flowers – fresh
- Keep shower curtain 2/3 drawn at all times
